About our Finance/Credit Services:

We are a credit broker and not a lender

If you are purchasing a **New** vehicle from the following franchises, we are limited to the number of lenders and products that we can introduce to you:

Mercedes Benz- We are only able to offer the lending products of a single finance provider, Mercedes Benz Financial Services
MINI- When the vehicle is a New MINI, and in some cases when the vehicle is a 'Young Used' MINI; we introduce only to one lender, which is BMW Financial Services (GB) Limited, trading as MINI Financial Services. When you enter into a vehicle finance agreement with this lender, we will sell the vehicle on behalf of BMW (UK) Limited (trading as MINI UK) to the lender.

If BMW Financial Services (GB) Limited, trading as MINI Financial Services, is unable to make you an offer of finance, we will not be able to offer an alternative introduction to another lender

Out with these specific purchases, we can introduce you to a limited number of lenders and their finance products.

We are not independent financial advisors; we will provide details of products available, but **no advice or recommendation will be made**. We do not act independently. You must decide whether the finance product is right for you.

Choosing a different vehicle (including a different make) may result in a different APR and total cost of credit. The overall cost will vary depending on the vehicle price, any part exchange, and the amount borrowed. We do not charge a fee for our services. Whichever lender we introduce you to, we **will** typically receive commission from them (based either on a fixed fee or a fixed percentage of the amount that you borrow). See 'Commission' section below

COMMISSION: For your reassurance, all lenders we work with are likely to pay commission at different rates, but the commission we receive does not influence the interest rate you will pay. Our aim is to secure finance for you at the lowest available interest rate that best suits your needs. **Any applicable commission earned by Eastern Western Motor Group will be fully disclosed prior to the completion of the finance set up process.**

About our Insurance Services:

We will only offer products from a limited number of suppliers. All the products we offer are optional.

Insurance Products:

A list of our products and their Insurers are provided on Page 3 of this document. We arrange the policy with the Insurer on your behalf. You do not pay us a fee for this service. We receive a commission from the Insurer which is a percentage of the total annual premium.

You will not receive advice or a recommendation from us. We may ask you some questions to narrow down the selection of products we will provide details about. You will then need to make your own choice about how to proceed. We hold any insurance money as an agent of the insurer under a risk transfer agreement.
